

DISTRESSED M&A FORUM and AWARDS GALA, June 17, 2010, Allerton Hotel, Chicago, IL

June 18, 2010: A record fifty-six awards were presented by Ms. Allison Payne, anchor and reporter from WGN-TV Mid-day News at the annual TURNAROUND ATLAS AWARDS held the previous evening. Gold standard of performance, the annual awards exclusively recognizes excellence in assignments and deals completed from the restructuring, reorganization and turnaround communities, world-wide.

Mr. Gene Saffold, chief financial officer, City of Chicago, from the Mayor's Office delivered welcome remarks to an influential group of leaders and senior executives from the corporate, distressed investors, reorganization and turnaround communities; and congratulating them for their achievements.

"2009 proved to be a record year for non-judicial and in-court reorganizations, highlighted by the US Auto reorganizations as well as significant increases in pre-packaged bankruptcies and distressed M&A activities." said Shanta Kumari, managing partner and chief executive officer at Global M&A Network. "Finalists and winners should take pride for completing an impressive variety of turnarounds during tough economic conditions is a testament to their resourcefulness, persistence and leadership." she added.

Winners are selected based on "performance" criteria. Finalists and award recipients must attend the gala ceremony to be recognized in the company of their clients, colleagues and peers from the industry.
