

September 20, 2009, New York, NY: Over 35 awards will be presented at the ASIA M&A ATLAS AWARDS GALA by Ms. Ayesha Faridi, Anchor, CNBC TV-18, India recognizing top deals, dealmakers and firms from the Asia Pacific and India M&A communities.

Founded on the principles of authenticity, objectivity and excellence, the finalists were selected based on eligibility standards—(1) Deal must be closed within the stated timeframe (2) Transaction size above 5 million USD and below billion USD in size (3) Verification and (4) Only top scoring transactions are short-listed for respective award categories especially for the nominations received and invitees.

Winners are evaluated on identifiable set of criteria and the merits of the deal. Detailed description of the criteria is published in the awards brochure available at the awards gala and ceremony.

Some transactions received multiple entries, and Global M&A Network advisory committee has elected to list each of the nominating firms for the transaction. A winner is announced at the awards gala and ceremony. It is the **“DEAL” that wins** hence every participant in the victorious transaction shares the accolade.

Winners **must** be present at the awards gala ceremony to be recognized. To reserve your corporate tables or individual guests - CONTACT: Raj Kashyap at: +914.886.3085(USA) or email: raj@globalmanetwork.com
