RELEVANT INFORMATION

WELCOME to the world's most prestigious M&A Atlas Awards • Global Markets singularly honoring the best value-creating deals, outstanding firms, top dealmakers and legendary growth leaders from international corporate, alternative investor and transactional communities for successfully closing transactions.

PRESTIGE: Winning the awards equates to achieving the "Gold Standard of Performance" standing in the industry and markets, validating excellence since the winners are selected on deal success, firm expertise and leadership.

INDEPENDENT GOVERANCE & STANDARDS

Prestige stems from the integrity of the process. Finalists and winners are judged by point-indexed scoring method based on deal criteria that includes pre-and-post execution variables; deal style/negotiation; sector complexities; regulation/jurisdictions; stakeholder/community impact; leadership; brand strength; etc. League table rankings are immaterial for winner selection.

Significantly, the process does not involve industry vendors or feedback to insure a 100% conflict-free, independent process. We also do not accept awards gala sponsorship from financial or legal deal advisors to avoid any "pay for play" influences.
