DEADLINE: September 9, 2019 by 5 pm EST

WHAT: Singularly honors A-List of most talented, respected and brilliant women dealmakers from the international corporate, private equity, alternative investing, M&A and restructuring transactional communities. Significantly, the *Global Top Women Dealmakers* is an ultimate validation of professional accomplishments since selection is based on dealmaker's expertise, track record, standing among her clients, colleagues, peers, and the industry.

WHY, *repute*: Recognizes unique talents of highly accomplished women dealmakers, as well as compliment to the organization's commitment to foster gender balance, support diversity, and active engagement in creating opportunities for women's advancement in the wider business and deal communities.

Significantly, the independently governed awards equate to achieving the "Gold Standard of Performance" world-wide since the award recipient is selected on merits.

WHO: Demonstrable track-record for completing value generating transactions, clients served, must be with the organization for minimum of 2 years with over 20 years of industry experience, and above all, exemplify "*Distinction in Dealmaking*" qualities.

A LONG-TIME: Founder and global group editor, Shanta Kumari has keen appreciation of the issues related to "gender...diversity..." ever since she started her career at Drexel Burnham. Having lived through the crisis at Drexel and Kidder Peabody, she went on to become deputy editor of a global asset management publication, followed by starting a "woman-led" global consulting firm and was the only "female" among the consulting group involved in the inception and construction of the "i-Shares" ETF fund at Barclays.

Likewise, her idea to create an award that meaningfully validates excellence and hard-work is at the center of the *Women Leaders Atlas Awards and Women Dealmakers* honors...and a very, very, long-time in making!

PUBLISHING: Short profile of individual dealmakers along with their head-shot photo is published a week after the recognition ceremony.

i-NOMINATE: Gain advantage of being considered first, early notification. There are no fees to nominate for our consideration by invite or otherwise. Only one executive is considered per organization. You can nominate as many professionals as eligible on behalf of your organization, colleagues, and clients. Kindly note, nominee-winners must attend the gala ceremony to be honored.
