

Guide: Americas Best Healthcare Investors *and* Deal Advisors

Submission Deadline: March 5, 2022, by 5 pm EST

Send Fully Completed Forms: nomination@globalmanetwork.com or FAX (USA): 212.918.9066

First-ever, the “**Guide: Best Healthcare Investors & Deal Advisors**” is an exciting new editorial feature published by Global M&A Network. The “Guide” will spotlight private equity, growth investors, as well as deal advisory firms from the North America healthcare industries that have the most experienced team and an outstanding record for consistently executing value-creating investments and transactions in the industry. There are countless firms in the industry, and only the best firms with the brightest teams will be qualified based on their differentiated attributes.

WHO, Firm Criteria:

Investors: Firm presence in North America with a clear focus of investing in the healthcare industry, including any of the sub-sectors – healthcare systems, physician groups, tech, services, and life sciences such as pharma, devices, etc.; **(B)** Deal type include buyouts, growth, distressed, or co-investments involving equity commitment; **(C)** Transactions completed in 2021 (deal size is irrelevant).

Advisory: Firms such as M&A investment banks, debt/lenders, law, restructuring, transaction services firms with presence in North America and a dedicated healthcare team; **(B)** Served as a primary advisor on deals closed during the 2021 timeframe (deal size is irrelevant).

HOW:

Selection: Firm eligibility standards per above, merits of submission, invite based on our research/due diligence including firm uniqueness, expertise, leadership, and reliably executing healthcare transactions signifying commitment to excellence. Naturally, specialist firm’s gain advantage.

Firm Submissions: Quality of submission will inform our decision to include the firm. Firms with incomplete info or no-info per invite/response are either excluded or included with blank content for their firm profile information published online. There are no fees to enter submissions.

WHEN:

Announced: Healthcare M&A: Growth & Deals Forum, a 3-part virtual series –

- (1) March 9, 2022:** Healthcare Systems;
- (2) March 10, 2022:** Pharma & Devices and
- (3) March 11, 2022:** Tech

Guide Profile is published online by two weeks following the announcement at the forum meeting.

WHY, Benefits:

Inclusion in the “Guide” is an ultimate testament to the firm’s commendable standing in the industry.

Further, the “Guide” serves as an essential reference to the best industry players year-round.

We reserve the right to limit number of firms. Featured firms must obtain reprint / licensing rights for their marketing/PR. Firms also have the option to upgrade their on-line profiles.
