WHO, Makes the List?

Coveted and highly competitive editorial list features visionary senior level executives passionately engaged in the restructuring, bankruptcy and turnaround industries. Importantly, they have closed outstanding, game-changing or the prestigious Turnaround Atlas Award winning deals.

WHAT is the editorial selection process?

We have identifiable metrics for making the final editorial decision. Some of the criteria include - industry experience, advisory record, client relations and importantly, attributes of recently closed transactions. We also refer to the prestigious TURNAROUND ATLAS AWARDS because over the past several years, the awards has honored the best value-creating transactions and the associated professionals.

WHY, Firm Repute & Value:

Significantly, inclusion in the list is an acknowledgement of the firm-wide team expertise, capabilities and the firm's preeminent status for consistently advising on complex restructuring transactions.

WHEN, is the list announced and published?

The list is first announced at annual Restructuring Intelligence Forum, held on June 26, 2018, New York; and published on-line shortly following the event.
